

WORLD SLEEP

March 11-16 2022
Rome • Italy

IN-PERSON ABSTRACT PRESENTATIONS

Present your work to an international audience in person in Rome, Italy at the 16th World Sleep congress. Submit research in any area of sleep medicine for inclusion as an oral abstract or poster abstract. Awards will also be granted to young investigators presenting high-quality work, and winners who submitted oral abstracts will present during special young investigator sessions.

All accepted abstracts are published in a *Sleep Medicine* journal supplement. Presenting authors must be registered for the congress by February 15, 2022.

ORAL ABSTRACTS

13-minute presentations of peer-reviewed research with brief Q&A to follow

POSTER PRESENTATIONS

Poster presentation during one 30-minute poster hall session. Posters can be presented at almost any stage of research.

YOUNG INVESTIGATOR PRESENTATION

Chosen applicants present oral abstracts during special Young Investigator sessions. Awards are also available for poster presentations. More info at worldsleepcongress.com/young-investigator
