

Singapore 2025 WORLD SLEEP September 5-10

Suntec City Convention Center

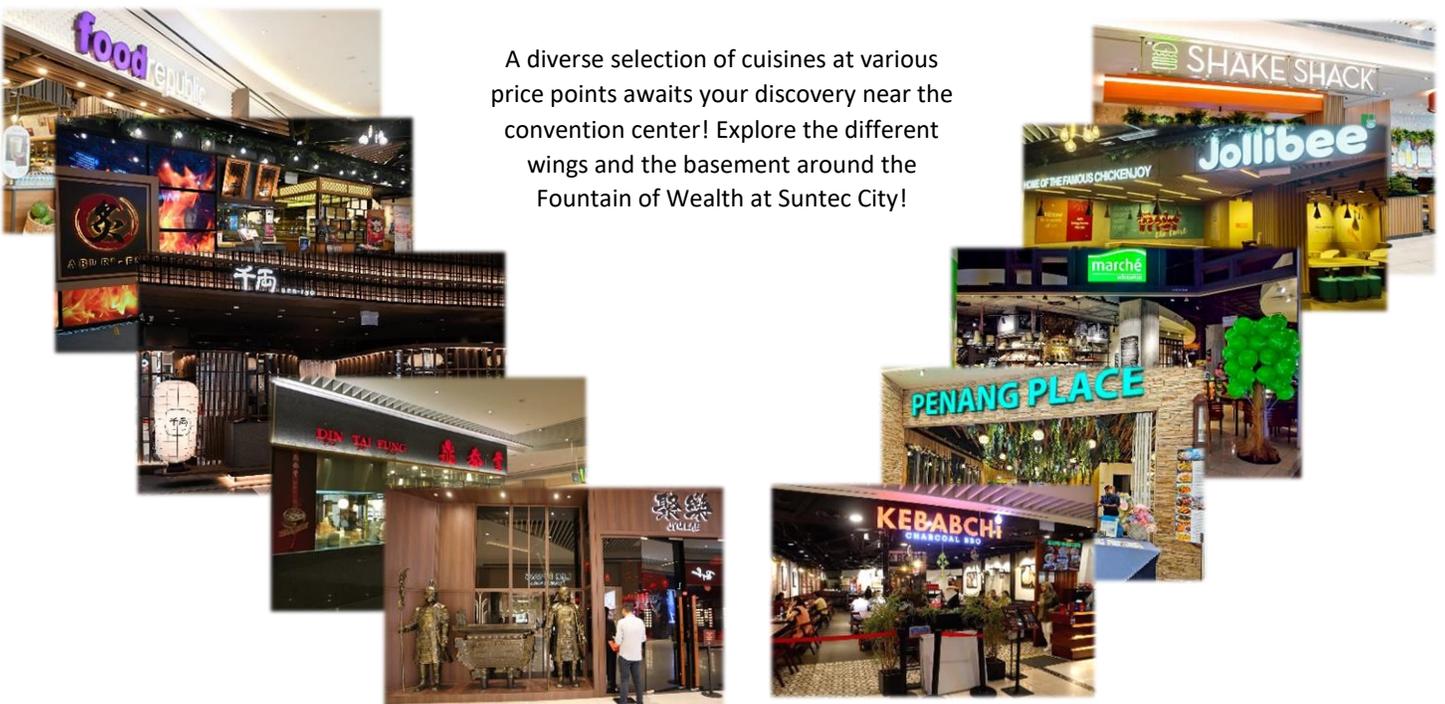

Suntec City Convention Center is located downtown in Singapore, with Esplanade Station, CC3 on the circle line, the closest MRT station. Not only is the convention center part of a large mall with multiple wings, there are multiple other malls right beside as well, offering a dazzling variety of retail and dining options.

If you come by the Esplanade Station, use Exit A. This will put you right at the doorstep of the convention center. Just follow the signs to head up.

If you are coming from City Hall MRT, there is an underground passage which leads to Esplanade Station Exit A.

If you are coming from Promenade Station, you will need to walk through the mall and it may take 10 minutes.

A diverse selection of cuisines at various price points awaits your discovery near the convention center! Explore the different wings and the basement around the Fountain of Wealth at Suntec City!
